

Online School Payment Facility

The Easypayments system we use in school has been upgraded. Even if you have used the system in the past you will have to re activate your account using the instructions below. The new system will only allow one parent/guardian to register. If you enter your details and the system doesn't recognise them then please enter the details of the student's other parent/guardian. Prior commitments to payments through instalments will remain in place and are unaffected.

*****We would encourage ALL parents to avail of this facility*****
